

Risk Control Specialist (RCS)

Risk Control Specialists make a unique contribution to Ecclesiastical's continued success as a specialty insurer by working closely with our clients to help them

- Mitigate risk
- Protect their assets.

Use your experience as a loss adjuster, insurance appraiser, risk management professional or insurance underwriter to provide a wide range of services, including:

- Valuation surveys
- Protection protocols
- Audit compliance
- Technical and client service support.

Risk Control Specialist Qualifications

- A solid background in at least one of the following disciplines:
 - Loss control
 - Risk management
 - Loss adjusting
 - Valuation
- Willing to travel frequently within an assigned region to perform risk control and valuation functions for our customers
- 5+ years of related experience
- Committed to providing top-quality protection to our clients.

Ecclesiastical offers a challenging, rewarding environment and a competitive benefits and compensation package. Please apply in confidence by forwarding your resume and cover letter to careers@eccles-ins.com

We thank all applicants; however, only those selected for an interview will be contacted.

Ecclesiastical Insurance is an equal opportunity employer.
